

...did you hear?

We're creating a
MASTER PLAN for Ennis!

And your input is critical! We want to hear from you about:

- why Ennis is an amazing place to live,
- what could be improved, and
- your vision for the future of our town.

Check out the project website for details and ways to engage:

www.cushingterrell.com/envisionennis

There will be multiple in-person and virtual opportunities to give input from April through October, 2021.

Information about events will be advertised at:

- The Library,
- Town Hall,
- on the project website and
- on the Town of Ennis Facebook page.
