MONTHLY LAW ENFORCEMENT REPORT TO THE ENNIS TOWN COMMISSION

Regular Commission meeting March 10th, 2022

The North 40 roads were not made for parking due to their width and curbing. Currently there is no parking on Otis Ave and Laura Lane by ordinance due to the width. With the new housing and increased traffic in the North 40 street parking needs to be reviewed.

In the North 40 if a fire truck needs to operate from the roadway and a car or trailer is parked on the roadway opposite the fire truck, the fire truck will not be able to safely operate due to the limited space. If a car parks on both sides of the street opposite each other they will effectively close the roadway causing a safety hazard.

Due to the road width and curbing in the North 40 subdivision please consider the following ordinance revisions for the safety of the residents and visitors. No parking anytime on Pearl Street north of Clark, No parking anytime on Clark, No parking anytime on Vujo, No parking anytime on Landing Lane, Oval and Stephie will be a one-way with parking on one side of the street.

At the time I am writing this Officer Fisher is in his 7th week at the Montana Law Enforcement Academy. The last three weeks (4,5,6) Officer Fisher has completed his Defensive Tactics, Firearms, and Police Vehicle Operations Course. Officer Fisher continues to do a great job.

I have attached the Speed Sign report for February 2022. The speed sign report is for the North Main Street sign. I have continued to include the column on the speed report called "Number of Vehicles Inside Tolerated Range". The tolerated range is set at 30 mph.

If you have any questions, comments, or concerns please ask, my door is always open, email is available, and my phone is on. "Before you 'assume' try this crazy method called 'asking'." - Unknown
