### MONTHLY LAW ENFORCEMENT REPORT TO THE ENNIS TOWN COMMISSION

Prepared by Chief John Moore

Regular Commission meeting June 9<sup>th</sup>, 2022.

This month we need to discuss parking. On East Main Street (US287 “downtown”) you must park within the lines. Across the lines does not count for within the lines. A crosswalk or lines on only one side of the vehicle still does not count as within the lines. If the road doesn’t have painted parking lines (most of town) that means it is parallel parking and you must be within two feet of the curb or property line. You cannot park in the roadway or alleyway and block traffic. Some areas of town are no parking and that includes Otis Ave and within ten feet of any fire hydrant.

All of the parking regulations can be found in the Town Ordinances <https://codelibrary.amlegal.com/codes/ennismt/latest/overview> Title 7 Chapter 7 and in Montana Code <https://leg.mt.gov/bills/mca/index.html> Title 61 Chapter 8 Part 3.

I understand some of the residents have been here their entire life and many of you longer than I have, that does not allow you park however, or wherever you choose just because you are a local. The laws apply to everyone tourists and locals. If you feel you need to work within the right of way you must obtain an encroachment permit from the appropriate agency. Please make our life easy and in turn your life easy by parking legally around Ennis.

I have attached the Speed Sign report for May 2022. The speed sign report is for the North Main Street sign and West Main Street sign. I have included the column on the speed report called “Number of Vehicles Inside Tolerated Range”. The tolerated range is set at 30 mph.

If you have any questions, comments, or concerns please ask, my door is always open, email is available, and my phone is on.

“You know, somebody actually complimented me on my driving today. They left a little note on the windshield, it said ‘Parking Fine’. “ — Tommy Cooper
