

FOR IMMEDIATE RELEASE

June 7th, 2022 1200 hours

WATER SYSTEM MAINTENANCE and ROAD CLOSURE(S)

As part of continuing maintenance of the Town's water system Ennis Public Works would like residents to be aware of the following maintenance and repairs that may affect your water service and travel through Town.

On Wednesday June 8th, 2022 beginning at 0800 hours (8am) East Steffens Street at South First Street will be closed for water valve repair and maintenance. South First Street will be limited to one lane of travel at the Steffens Street intersection. Due to the nature of repair work the South First Intersection and West Steffens Street at Chowining may also be closed.

On Wednesday June 8th, 2022 beginning at 2100 hours (9pm) water service will be turned off to the residents on South First Street from Main Street to Ennis Street and on East Steffens street in order to repair a damaged valve. Water service should be restored by 0800 hours (8am) on June 9th, 2022. Repairs are being conducted at night to minimize inconvenience to residents.

The street closure(s) will remain in effect until Public Works has completed repairs through June 9th, 2022.

Thank you for your cooperation while Ennis Public Works strives to improve the Town's water system.
