**Water Main Maintenance
Repairs Underway**

June 2nd, 2022, 0630 hours Water service to areas of the Town of Ennis has been disrupted due to a water main repair.

A water main repair is causing a disruption in water service to residents of the Town of Ennis. Areas that may be affected include lower Ennis from Steffens St south. Main Street is not affected.

Crews are on scene to make the necessary emergency repairs. Service is expected to be restored by 6pm June 2nd, 2022.

Please refrain from calling Ennis Town Hall for updates. Public Works is working as fast and safely as they can to restore the water service. For the most current updates please visit the Town of Ennis's web page at www.ennismontana.org

Updated information will be provided as the situation unfolds.
