MONTHLY LAW ENFORCEMENT REPORT TO THE ENNIS TOWN COMMISSION

Prepared by Chief John Moore

Regular Commission meeting July 14th, 2022.

I am frequently asked why speeding and stop sign violations are a serious concern and why we even bother enforcing them, because it is just a small town. Here are some statistics from the Montana Highway Traffic Safety FFY 2021 Problem Identification Data showing one of the many safety reasons we do traffic enforcement.

35% of all fatal crashes in Montana cite speeding as a factor. Montana experienced over 22,000 traffic crashes in 2019; 165 of these crashes were fatal accounting for 184 people who died. Additionally, 709 people were seriously injured in crashes in 2019. 47% of intersection fatalities and serious injuries occur on rural intersections versus 53% that occur in the urban areas.

Everyone seems to be in a hurry, slow down and enjoy the scenery. Come to a complete stop at stop signs and look both ways. We have many kids (and adults) using our streets and sometimes they aren't paying as much attention as they should. Help keep everyone safe so we all may go home at the end of the day.

I have attached the Speed Sign report for June 2022. The speed sign report is for the North Main Street and West Main Street signs. I have included the column on the speed report called "Number of Vehicles Inside Tolerated Range". The tolerated range is set at 30 mph. I have included a new line called "Average Vehicle Speed" this is the average of all vehicles on that day.

If you have any questions, comments, or concerns please ask, my door is always open, email is available, and my phone is on.

"Slowing down is sometimes the best way to speed up." — Mike Vance

SYNOPSIS:

During the month of June 2022, law enforcement responded to 61 incidents and/or calls for service. The Ennis Police Department issued 61 citations, issued 103 warnings, issued 6 parking citations, and fingerprinted 6 people for various non-criminal background checks.
