**Water Main Break Affects Town of Ennis Residents  
*Emergency Repairs Underway***

**April 11th 2023 12:15 pm:** A large water main break on East Main Street in Downtown Ennis is affecting water pressures and the amount of water the Town has available for residents. Water service to the Town of Ennis is currently working with diminished pressure.

Please conserve water if possible until the water main break is controlled.

For immediate updates please visit the Town of Ennis's web page at [www.ennismontana.org](http://www.ennismontana.org)

Updated information will be provided as the situation unfolds.
