Water Line Struck – Repairs Underway
North 40 Subdivision Affected

May 17th 2023 10:30am: On Wednesday May 17th, 2023 at approximately 10:20am a contractor working on new construction struck a water main line in the North 40 subdivision.

The North 40 subdivision from Laura Lane north to Mountain View has had water service affected by the damaged main line.

Ennis Public Works is diligently working on repairs and hopes to have water service restored no later than 5:00pm today. We apologize for the inconvenience.
